

Category	Question	Answer
Basic Rules	Can I place my deck and reveal my Leader card in any order?	No. After you and your opponent place your decks, you will then reveal your Leader cards to each other.
Basic Rules	Are there any rules regarding the order in which Life cards are placed?	Yes, there are. Place the card at the top of your deck so that it is at the bottom of your Life cards.
Basic Rules	What happens to a Character when its power is reduced to 0 or less by an effect?	The Character remains on the field with a power of 0 or less.
Basic Rules	Can I transfer a DON!! card already given to a Character to another Character during the Main Phase?	No, you cannot.
Basic Rules	Can I play another Stage card if there is already a Stage card on my field?	Yes, you can. You will need to reveal the Stage card being played, pay the cost, trash the card already in the Stage area, and then place the new Stage card in the Stage area.
Basic Rules	Is there a limit to the number of cards I can have in my hand?	No, there is not.
Basic Rules	What happens if an effect that gives -10000 power is activated against a Character with 6000 power?	The Character's power becomes -4000.
Basic Rules	What happens if 1 DON!! card is given to a Character that currently has -4000 power?	The Character's power becomes -3000.
Basic Rules	Can a Character's cost be less than 0?	No, it cannot. When a Character's cost falls below 0, it is treated as 0.
Basic Rules	If a Character is on the field with negative cost and then returned to my hand, can I play that Character at negative cost?	No, you cannot. When a Character subject to some effects is moved from one area to another, it loses the effects it was subject to in the original area.
Basic Rules	Does "with a type including "XX"" include cards with types such as "Former XX" and "XX Allies"?	Yes, it does.
Basic Rules	Can I use a card with 0 cost if I have no DON!! cards in my cost area?	Yes, you can.
Basic Rules	In the Refresh Phase, can I choose not to return a DON!! card and leave it as given to a card?	No, you must always return DON!! cards to the cost area.
Basic Rules	What happens if the Character that is attacking or the Character that is the target of an attack is moved to a different area during the Attack Step, Block Step, or Counter Step?	At the end of each step, if the Character that is attacking or is the target of an attack has moved to another area, the battle ends without proceeding to the next step.
Basic Rules	If I use a Character with -2000 power to attack my opponent's Character with -2000 power, who wins the battle?	Your Character with -2000 power will win the battle, and your opponent's Character will be K.O.'d. If the card you attacked was a Leader, your Character would also win the battle and you would deal 1 damage to your opponent.
Basic Rules	I won a battle by using a Character with 0 power to attack a Character with 0 power. Will my opponent's Character be K.O.'d?	Yes, your opponent's Character will be K.O.'d.
Keywords	Can a [DON!! x○] effect still be activated if the card has more than the specified number of DON!! cards?	Yes, the effect can still be activated.
Keywords	When returning DON!! cards to my DON!! deck according to a [DON!! -○:] effect, can I return DON!! cards that have already been given to my Characters or Leader?	Yes, you can. You can choose to return any DON!! cards from your Leader area, Stage area, Character area, or cost area.
Keywords	Can I activate Counters of Characters on the field like [Counter +1000]?	No, you can only activate the Counters of cards in your hand.
Keywords	Can I use a Counter to increase the power of a card not being attacked?	Yes, you can. However, the effect will end at the end of the current battle.

Keywords	Do I need to pay a cost to use a Character's Counter?	No, there is no cost for using a Character card's Counter.
Keywords	Can I activate an Event card's [Counter] effect during my Main Phase?	No, you cannot. You can only activate an Event card's [Counter] effect during the Counter Step of a battle in which your opponent has attacked.
Keywords	If I have 5 Characters and play another Character, when I trash a Character, will its [On K.O.] effect activate?	No, it will not. The trashed Character is not K.O.'d, but directly moved to your trash.
Keywords	Does [On K.O.] mean that this effect activates when the Character with this effect is K.O.'d? Or does it mean that it activates when the Character with this effect K.O.'s an opponent's Character?	The effect activates when the Character with the effect is K.O.'d. The effect does not activate when the Character with the effect K.O.'s an opponent's Character.
Keywords	If there are cards of the same name with [Once Per Turn] effects, can I activate each of these cards' [Once Per Turn] effects during the same turn?	Yes, you can.
Keywords	Can I play a Character card with an [On Play] effect without activating this [On Play] effect?	No, you must activate the [On Play] effect whenever possible. However, if the effect has a cost, you can choose not to pay that cost and play the card without activating the effect.
Keywords	Does [When Attacking] mean that this effect activates when the card with this effect attacks? Does this effect also activate when another card without this effect attacks?	This effect activates when the card with this effect attacks. This effect does not activate when another card without this effect attacks.
Keyword Effects	Can I use 2 or more [Blocker] effects in a single battle?	No, you cannot. During a single Block Step, you can activate up to 1 [Blocker] effect.
Keyword Effects	Can I activate the [Blocker] of a Character being attacked?	No, you cannot.
Keyword Effects	When I activate a card's [Blocker], can I use a Counter to increase that card's power?	Yes, you can.
Keyword Effects	When my opponent is attacking, if I have a [Blocker] Character, do I have to activate that [Blocker]?	No, you can choose not to activate a [Blocker].
Keyword Effects	Can I activate the [Blocker] of a rested Character?	No, you cannot.
Keyword Effects	Can I choose not to trash a Life card if I succeed in dealing damage using a Character with [Banish]?	No, you cannot.
Keyword Effects	Can I choose to deal 1 damage if I succeed in dealing damage using a Character with [Double Attack]?	No, you cannot.
Keyword Effects	When dealing 2 damage with [Double Attack], if this Character loses its [Double Attack] or leaves the field due to a Trigger effect from the initial damage, is the remaining damage no longer dealt?	No, the remaining damage is still dealt. Since the damage to be dealt is fixed at 2, 2 damage will be dealt even if the Character leaves the field or has their [Double Attack] effect disabled due to a [Trigger] effect or for any other reason.
Keyword Effects	If my opponent has 1 Life card, can I win the game by using a [Double Attack] to deal 2 damage?	No, you cannot.
Keyword Effects	Can I add a card to my hand without activating its [Trigger]?	Yes, you can.
Keyword Effects	When I move a Life card with a [Trigger] due to an effect such as "Add 1 card from the top of your Life cards to your hand" or "Trash up to 1 card from the top of your Life cards", can I activate that [Trigger] effect?	No, you cannot. [Trigger] effects can only be activated upon taking damage.
Basic Rules	If an effect states "up to" a specified number of cards, can I choose 0 cards?	Yes, you can choose 0 cards.
Basic Rules	Can I activate the effect of a card with a specified target if that target is not present at that time?	Yes, you can. However, nothing will happen in that case.
