Card No.	Card Name	Question	Answer
ST29-007	Tony Tony.Chopper	If this Character is KO'd when my Life is 0, can I use its [On K.O.] effect to add a card from my hand to the top of my Life, but forgo adding a card to my hand from my Life?	No, you cannot.
ST29-008	Nami	If the top card of my Life cards is already face-up, can I still turn 1 card from the top of my Life cards face-up instead of my Character being K.O.d?	No, you cannot.
ST29-013	Rob Lucci	Does the "total of your and your opponent's Life cards" mentioned in this [Trigger] also count the card that triggered the effect?	No, you exclude that card from the Life cards being counted.
ST29-014	Roronoa Zoro	Can [Rush: Character] cards attack an active Character on the turn in which it is played?	No, they cannot. They can only attack rested Characters, as described under the regular attack rules.
ST29-014	Roronoa Zoro	If a [Rush: Character] is played and attacks a character on that turn, can OP14-060 Donquixote Doflamingo's [On Your Opponent's Attack] effect be used to change the target of the attack to your Leader Donquixote Doflamingo?	Yes, it can.
ST29-016	Kizaru!! Compared to Two Years Ago We're a Hundred Times Stronger Now!!	If a character with [Unblockable] attacks a character, can OP14-060 Donquixote Doflamingo's [On Your Opponent's Attack] effect be used to change the target of the attack to your Leader Donquixote Doflamingo?	Yes, it can. Changing the attack's target with an effect is different from using [Blocker] to block.

| ST29-016 | Kizaru!! Compared to Two Years Ago We're a Hundred Times Stronger Now!! | If a character with [Unblockable] attacks a character, can OP14-060 Donquixote Doflamingo's [On Your Opponent's Attack] effect or EB01-038 Oh Come My Way's [Counter] effect be used to change the target of the attack to a character with [Blocker]? | Yes, it can. Changing the attack's target with an effect is different from using [Blocker] to block. |
