

Card No.	Card Name	Question	Answer
ST34-001	Charlotte Katakuri	Imagine that I have two "ST34-001 Charlotte Katakuri" and 10 DON!! cards on my field during my turn. I return 1 DON!! card to my DON!! deck, and activate the effect of one of my "ST34-001 Charlotte Katakuri" to add 1 DON!! card from my DON!! deck and rest it. Can I then use another card's effect to return 1 of the DON!! cards on my field to my DON!! deck, activate the effect of the other "ST34-001 Charlotte Katakuri", and add 1 more DON!! card from my DON!! deck and rest it?	No, you cannot.
ST34-002	Charlotte Cracker	Can still I use this [On Play] effect to add 1 DON!! card from my DON!! deck and rest it if my opponent has no Characters with a cost of 2 or less on their field?	Yes, you can.
ST34-002	Charlotte Cracker	If I have no cards in my DON!! deck, can I still use this [On Play] effect to K.O. 1 of my opponent's Characters with a cost of 2 or less?	Yes, you can.
ST34-004	Charlotte Linlin	If the base power of my opponent's Character chosen as the target of this [On Play] effect has been changed to base power 6000 by another effect, what happens to that Character's base power?	In this case, the effect that applies the highest base power between the effects that modify base power will be applied to that Character.
ST34-004	Charlotte Linlin	Can I still play this card and activate its [On Play] effect if this card is the only card in my hand?	No, you cannot. In this case, you will also be unable to DON!! -4, and will be unable to resolve the "Add up to 1 card from the top of your deck to the top of your Life cards. Then, up to 1 of your opponent's Characters' base power becomes 0 during this turn." part of the effect.
